

## February 2, 2010 Meeting Minutes

### Details:

UBC & AAP Representative, Dr. Jerry King  
Meeting Minutes  
February 2, 2010

### Members Present:

Dr. King, AAP State Breastfeeding Coordinator; Marlee DiCristofano, UBC President; Judy Harris, WIC State Breastfeeding Coordinator; Kathy Pope, Workplace Lactation Taskforce Chair; Amanda Nederostek, UBC Education Chair; Elizabeth Smith, Past President.

### New Business:

- Dr. King became a little more familiar with UBC, its members, goals, history, and past/current roadblocks
- Community Collaboration – The key players/resources to utilize among breastfeeding advocacy and expertise (PANO, WIC, hospitals, businesses, government)
- Events put on by UBC - Breastfeeding Café , community outreach
- Current trends in the hospitals – Hospital experiences were discussed to determine new ways of approaching the desire to increase Utah's duration of breastfeeding and what is currently going on in the hospitals regarding this issue.
- IBCLC – Discussion of who an IBCLC is, their training and involvement in the community
- More Involvement from Pediatricians – Dr. King would like to expose residents to more breastfeeding education, possibly take the IBCLC exam, or promote working with IBCLC individuals in their practice
- Upcoming events to be discussed further – Retreat
